

Welcome to the WorldwideJobs@Allianz network

Allianz Group is one of the largest and most renowned financial services providers in the world representing an international network of strong brands with first-class products. We bring together the expertise of specialists in the fields of property and casualty insurance, life and health insurance, asset management and banking. Above all, we strive for commitment to excellence in our daily business - in our relationships with customers, shareholders, employees and society. The Allianz Group serves more than 70 million customers in about 70 countries. Allianz Real Estate GmbH is a young enterprise within Allianz Group and is the interface for the real estate matters of all Group insurance companies, ranging from the provision of advice when buying or selling third party real estate, to the requirements of real estate owned by the Group, through to the coordination of their own property portfolio.
